

God is Our Stylist
Proverbs 31 Finishing School

SESSION #3: Clothed in God's Grace

Did you know God tells us in His Word, what fabrics and colors to use in our lives?

Proverbs 31:22 tell us: “She makes herself coverings of tapestry, her clothing is silk and purple”.

If you were going to visit with or see Jesus the Christ in person, how would you act and what would you wear? Christ is around you every day and sometimes you may be the only representation of Christ some people see in their day.

In this session, with Ms. Becker's background in interior decorating and fashion design, she will guide you through the steps to take as the daughter of the King of Kings.

WATCH VIDEO #3: Clothed in God's Grace

God could have made the world black and white and we would have never known so He made it full of color because *He* enjoys color. He loves variety, look around you.

God's Color Palette

Find the color palette that suits you. Although there are no strict rules about who can wear which colors, you may have a good idea by now which colors are most flattering to you. Be sure to have a variety of neutral colors to mix and match.

God made each of us different in skin and hair color, body, and style so He could watch all His children grow and enjoy this colorful world.

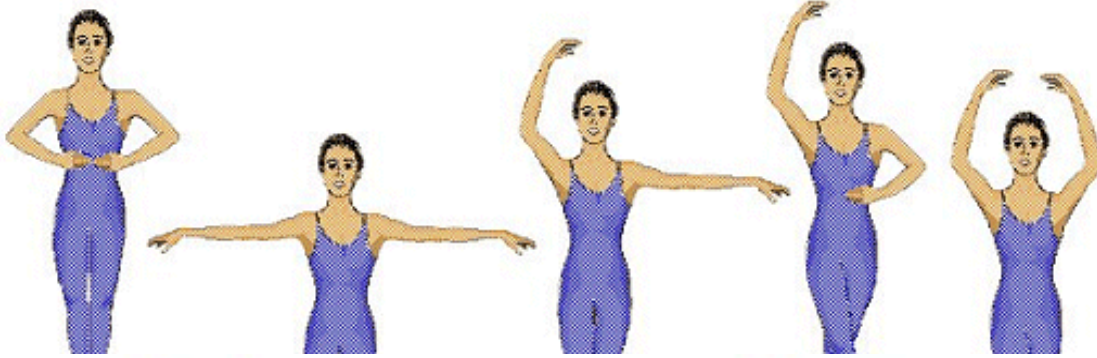

On page 2 the basic ballet positions will help you show your grace and elegance as the daughter of the King of Kings. The bible tells us that women of God should have:

Proverbs 31:25

"Strength and honor are her clothing; she is confident about the future."
