

God is Our Stylist Lesson  
Proverbs 31 Finishing School

SESSION 1: The Dignified Woman

We only have one chance to make a first impression. The Proverbs 31 Lady impressed all those who saw her. Her dignity and character showed through in everything she did.

What is your definition of “Dignity”? \_\_\_\_\_

The Bible tells us in: **I Corinthians 3:16, “Do you not know that you are God's temple and that God's Spirit dwells in you? “**

One definition for Dignity is;  
a composed or serious manner or style.  
*synonyms:* stateliness, nobility, courtliness.

Have you ever had God send you someone that helped you remember you were God's Child? Explain

---

Today Ms Becker will discuss how your strength and dignity can be shown to others through the way you live your life and use God as our Stylist

### **WATCH VIDEO #1: THE DIGNIFIED WOMAN**

As an interior decorator for many years, Ms Becker has matched the “style” of her clients with the decor in their homes. God has given each of us a certain “style” to be used for His glory . Presenting ourselves at our very best, will help draw people to want the confidence and dignity that comes with becoming a Child of God.

#### **Titus 2:7**

**“Show yourself in all respects to be a model of good works, and in your teaching show integrity, dignity,”**

*Whether good or bad, we are perceived by how someone first sees us. We should project our strength and dignity as a Child of God, by always presenting ourselves at our best in God's eyes,*

## **Proper way In and Out of a Car:**

### **Enter with knees together**

When entering the car, bend your knees slightly and slide in backside first. Keep your knees pressed together as you lift your legs into the car and swing them around to the front.

*Don't step into the space, or you'll have to separate your knees.*

### **Twist to exit**

To exit, twist slightly toward the door with your knees touching each other. Open the door -- or, even better, have the driver open it for you -- and swing your legs out onto the ground, keeping your knees together.

*If you have a scarf or pashmina, drape it over your legs until both feet are on the ground outside.*

### **Have someone help**

Have someone lend a hand as you step out of the car. This will help you keep your knees tightly together as you regain your balance in a standing position.

### **Straighten up**

Gently smooth your dress or skirt, stand up straight, and smile!. *According to a survey, more than 12 million women have been involved in at least one unfortunate 'flashing' incident.*
